

## Caltrain Seeks Changes for Parking, Go Pass, 8-ride and Zone Fares

Despite increased ridership growth, Caltrain requires annual contributions from its member agencies to fund operations. Next year, the cost of maintaining Caltrain's aging equipment and infrastructure will exceed the member agency contributions. In order to maintain service, Caltrain is exploring fare and parking changes.

Proposals to be considered include:

### Effective Oct. 1:

- Basing Monthly Pass prices on 15 days per month, rather than 10 days per month (*refer to fare table regarding options*)
- Eliminating the discounted 8-ride Ticket
- Basing Monthly parking prices on 15 days per month rather than 10 days per month from \$55 to \$82.50.
- Increasing the Zone fare by 25 cents

### Effective Jan. 1, 2018:

- Increasing Go Pass fares by 50 percent from \$190 per person to \$285 or minimum cost to employers from \$15,960 to \$23,940.
- Implementing a pilot program to provide discounts for weekend and evening riders – One-way, Day Pass and Clipper cash value
