

San Bruno Grade Separation Construction Notice

Dear Caltrain Neighbor:

In coming weeks, there will be a series of temporary closures at Angus, San Mateo and San Bruno avenues. Beginning July 22, construction crews will begin excavating and removing portions of the roadway to lower streets and allow for greater vehicular clearance under the crossings. Once completed, the clearance for each intersection will be approximately 15 feet.

The following is a list of road closure times and dates:

- Angus Avenue will be closed between 8 a.m. Monday, July 22, until 5 p.m. Saturday, July 27.
- San Mateo Avenue will be closed between 8 p.m. Friday, Aug. 9, until 5 a.m. Monday, Aug. 12.
- San Bruno Avenue will be closed on two separate occasions. The first portion of the work will require partial closure of the street between 8 p.m. Friday, Aug. 16, until 5 a.m. Monday, Aug. 19. The second portion will completely shut down San Bruno Avenue. That closure is tentatively scheduled for 8 p.m. Friday, Aug. 23, until 5 a.m. Monday, Sept. 2 (per the city's approval).

During the closures, Caltrain will establish detour signs for pedestrians and motorists to help with traffic flow. During the full shutdown of San Bruno Avenue, electronic signs will be displayed on Highway 101 and El Camino Real directing traffic to Interstate 380 as a detour into the City of San Bruno. Night work will be done in accordance with Caltrain and city agreements and ordinances. We apologize for any inconvenience this may cause you.
