## Know Before You Go

### Proof-of-Payment

Customers must have valid fare before boarding the train. Tickets are not sold on-board. Keep your ticket or validated Clipper card handy to display to the conductor or fare enforcement officer. Customers without a valid fare may receive a citation and fine.

### SPECIAL SUPER BOWL TICKET

Caltrain and VTA will be offering a special joint **Super Bowl Day Pass** ticket for the Super Bowl through its EventTIK app. This ticket will replace the usual Caltrain/VTA Day Pass available at ticket vending machines along the corridor.

Customers may purchase this joint ticket using VTA's mobile ticketing app any time in advance of the game and will be required to activate the ticket prior to boarding. The ticket will only be sold via the mobile app available on Android and iOS.

More information is available on VTA's website at [vta.org/eventtik](http://vta.org/eventtik).

VTA will be operating a bus bridge for customers who are not headed to the Super Bowl.

Caltrain customers may use a regular **One-way, Day Pass, Clipper Card (8-ride Ticket, Monthly Pass)** or the joint mobile ticket to travel to the Super Bowl but customers transferring to VTA in Mountain View must buy their ticket in advance using the mobile app. Customers transferring to Light Rail must also have proof of their Super Bowl ticket in order to board VTA's system.

## How to Purchase Caltrain Tickets

Review the decal on the side of the machine or use the Help button on the ticket machine. Carefully read each screen before pressing your options. Before you start the purchase, make sure you know which station and zone you are travelling to by looking at the system map above the ticket machine screen. Ticket machines don't accept international credit cards or pin-authorized debit cards. If you're having issues with your credit card, pay with cash.

### Ways to Pay

Caltrain offers a number of other ways for customers to pay for their ride. For fares, visit [www.caltrain.com/fares](http://www.caltrain.com/fares) or call 1.800.660.4287.

### NFL Bag Policy

The National Football League will strictly enforce its bag policy on Super Bowl Sunday. The NFL allows fans to carry clear plastic or vinyl bags of no more than 12" x 6" x 12" in size. No other bags will be allowed in the stadium and there will be no lockers or bag check area available at the Stadium.

### Parking Fees

Caltrain parking fees and regulations are enforced seven days a week. To address parking demands on Super Bowl Sunday, Caltrain will charge \$20 to park in all Caltrain operated lots along the rail corridor.

### Alcohol Reminder

Caltrain reminds customers that open alcoholic beverages are prohibited on trains beginning at 9 p.m. on game nights. Food and beverages are not allowed on VTA's system at any time.
