Subject

1 University Ave Beige Pole Color
Thanks Brent, appreciate you staying on this issue.

In addition, please see the attached photo. This vision of Caltrain rolling into the University Ave station in Palo Alto, is one of the most widely distributed photos of the Caltrain Electrification Project. Notice: a) short poles, b) back color, and c) symmetric north and south cantilevers. What we received in Palo Alto, bears no resemblance to this?

What went wrong, and can we please fix it?

Martin

Hi Martin,

Yes, I will work to get this information from the project team.

Best,
Brent
Can you please answer that for me?

Thanks,
Martin

Hi Brent,

Thanks for talking this morning. Yes, please try to put a number on repainting the top half of one or more poles at the University Ave station. Once we have this number, I will reach out to the City Of Palo Alto, for potential funding sources.

Best regards,
Martin

Brent, please take a look at the attached photo. I don't think this is what the City, nor the design engineers, had in mind.

Please tell me, how I can help correct this situation.

Thank you,
Martin
