DIRECTOR, CAPITAL PROGRAM DELIVERY

Reporting to the Deputy Chief, Rail Development the **DIRECTOR, CAPITAL PROGRAM DELIVERY** will be responsible for directing/prioritizing capital projects delivery in collaboration with Caltrain's Planning, Engineering, Program Management, Rail Program Integration, Rail Operations, and Maintenance departments; defining capital delivery project objectives/goals consistent with Caltrain's short/long range Transit Plan; managing Capital Delivery Project Managers; working with Rail Program Management and District Procurement on capital delivery procurements; recommending delivery methods; directing/prioritizing construction activities; establishing/managing the capital budget (with support from Rail Program Management); and supporting development of the Capital Funding Plan with the Grants and Budgets departments.

Desired attributes include deep experience in capital project delivery methods (planning through final acceptance); complex contracts management abilities; the ability to find recovery methods and conduct negotiations; advanced knowledge of project/construction management; familiarity with regulatory requirements; strong communications, public speaking, and presentation skills; an understanding of operational input value; and start-up experience (preferred).

The position requires sufficient education, training, and experience to perform these functions, which are typically obtained through (but not limited to):

- Bachelor's degree in engineering, construction management, or a related field;
- 10 years of progressively responsible experience in civil engineering, systems project delivery, construction management, or public works project management; and
- 7 years of full-time management experience.
- A registered California Professional Engineer license is preferred.

Caltrain's Compensation and Benefits

The annual salary range for this position is **\$149,062 to \$223,592**. Appointment within the salary range will depend on the qualifications of the successful candidate. In addition, we offers a generous benefit package. For more information beyond the summary below, visit:
