

# Meadow Drive Crossing Temporary Closure

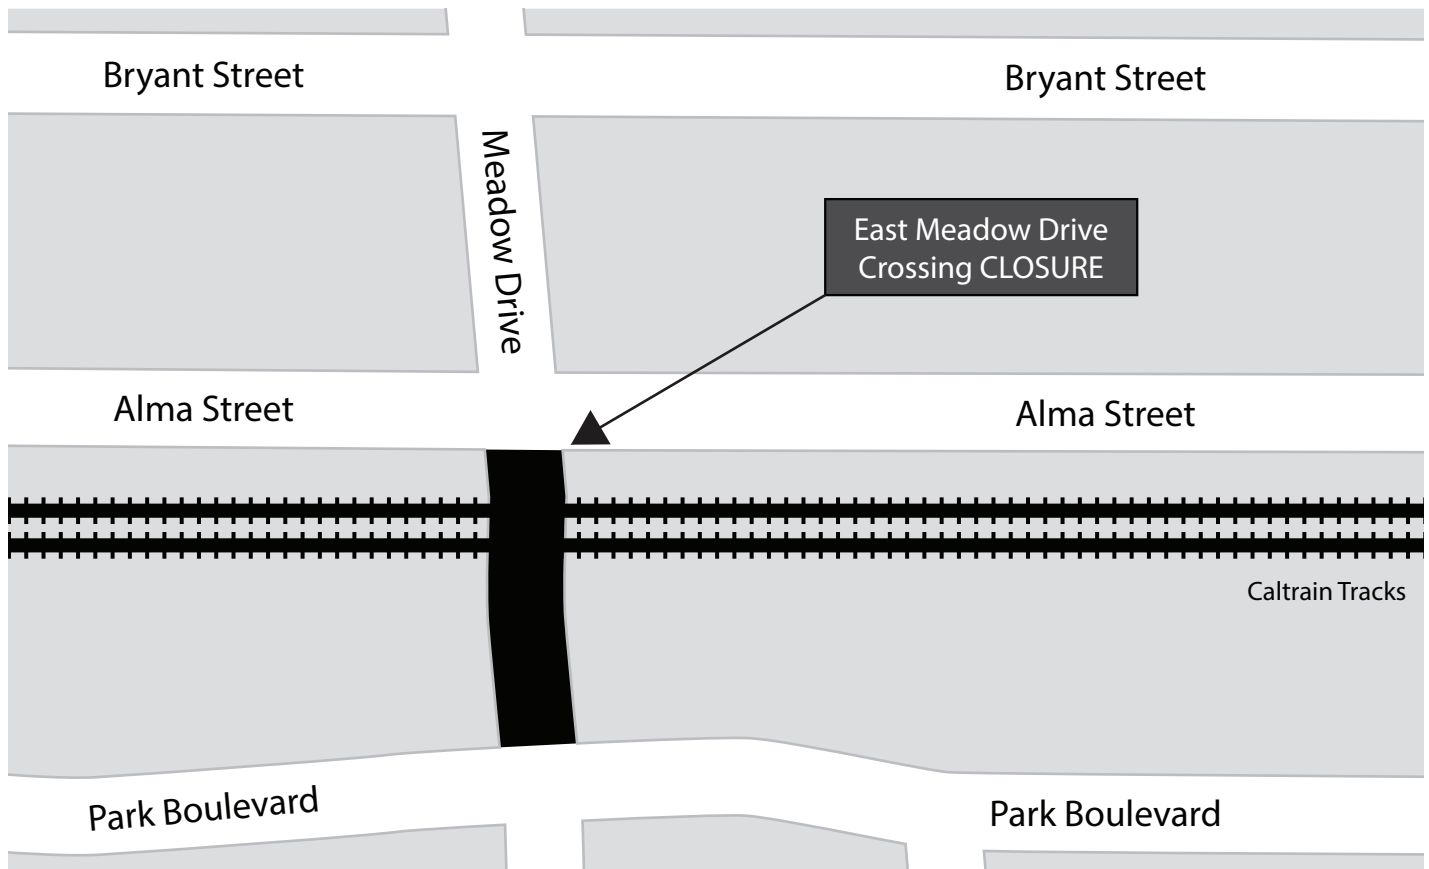

Dear Caltrain Neighbor:

The railroad grade crossing at Meadow Drive in Palo Alto will be closed over two weekends for track maintenance work. The closure will be from **Friday, March 10 at 8 p.m. until Monday, March 13 at 4 a.m. and again from Friday, March 17 at 8 p.m. until Monday, March 20 at 4 a.m.**

Vehicular, bicycle and pedestrian traffic will not be able to cross the tracks during this outage. During the closure, Caltrain will establish detour signs for pedestrians and motorists to help with traffic flow. Neighbors may experience construction noise during this time. We apologize for the inconvenience.

The Meadow Drive grade crossing will be reconstructed with new concrete ties, ballast, and new concrete grade crossing panels replacing the existing rubber surface. New pavement and striping will also be included as part of the reconstruction. These elements will provide a smoother, safer crossing for vehicles, pedestrians and bicyclists.

For more information, please call the Construction Outreach Hotline at 650.508.7726 or visit [www.caltrain.com/constructionnotice](http://www.caltrain.com/constructionnotice).
