20-year Strategic Plan (2004)

To become the preferred mode of travel along the Peninsula Corridor by:

- Providing passengers with a world-class travel experience
- Acting as a major catalyst for redevelopment and economic activity in communities along its route
- Playing a key role in mobility management along the Peninsula Corridor and in the Bay Area region as a whole

1. Satisfy passengers and build ridership
2. Invest wisely in system improvements
3. Promote regional connectivity and cooperation with other transportation providers
4. Partner with communities and broaden communications with the public
5. Develop a solid financial foundation that ensures long-term sustainability
