Dear Ms. Teresa O'Neill,

I'm a member of the Pres. Barack Obama Blvd. Committee and what to know the vote status of the Peninsula Corridor Joint Powers Board concerning our street renaming proposal? Please see the attached letter and contact or direct me to the correct entity to answer my question.

Thank you in advance for any assistance you can give.

Subject: Help us Fight for More Caltrain Service in South San Francisco!
Date: Tuesday, September 17, 2019 9:03:31 AM

Let's Work Together to Get More Caltrain Service in South San Francisco!

Caltrain is writing a new Business Plan (<https://www.caltrain2040.org/>), which includes examination and adjustment of Caltrain station stops. Caltrain staff has endorsed a plan of "moderate growth" which results in a 400% increase in Caltrain service to South San Francisco, going from two trains per hour to eight trains per hour. Caltrain is soliciting community comment on the new Business Plan, and will make a decision soon on future service.

We need your help! Please send a letter of support to BusinessPlan@Caltrain.com requesting, at a minimum, eight trains per hour in South San Francisco.

Caltrain's advisory body, the Local Policy Maker Group (LPMG), meets on **Thursday, September 26, 2019**, at 5:30 p.m. at the SamTrans offices (1250 San Carlos Avenue, San Carlos).

A final vote on the new Business Plan is scheduled for the Caltrain Joint Powers Board (JPB) meeting on **Thursday, October 3, 2019**, at 9:00 a.m. at SamTrans Headquarters (1250 San Carlos Avenue, San Carlos). A letter of support to the JPB Board is also requested, as well as in-person testimony during public comments.

This is the critical, final meeting to decide future service, and we need them to hear from our South San Francisco residents!
