**General Sign Requirements:**

All signs shall follow the following general requirements unless noted otherwise in the individual standard drawings:

1. Caltrans shall provide artwork for all Caltrans signs and facilities. Special signs shall be produced by contractors; submit a proposal to Caltrans for approval prior to fabrication.

2. Caltrans does not provide artwork for multiple signs.

3. Caltrans shall provide artwork for special markings on platforms.

4. Caltrans shall provide artwork upon request.

5. Sign panel material: (minimum thickness):

   - 0.020 (0.50 mm) aluminum dioxide adhesive (except for signs exceeding 24" in any dimension)
   - 0.040 (1.0 mm) aluminum dioxide adhesive (except for signs exceeding 24" in any dimension)
   - 0.060 (1.5 mm) aluminum dioxide adhesive (except for signs exceeding 24" in any dimension)

6. Font: Helvetica N.C. 60/60 upper and lower case letters unless noted otherwise.

7. Overlay: 3M 1180 premask protective overlay.

8. Flysheeting: 3M high-contrast reflective (grade 3000 or higher) white.

9. Methods: All signs shall be screenprinted, not direct painted, except those that are not cut out for other applications such as station shelters.

10. Follow federal (F.S. 5088) or local procedures for colors:

    - Safety Green: PS 1400 or 1400A
    - Safety Yellow: PS 2100 or 2100A
    - Safety White: PS 1300
    - Orange: PS 1200

11. Graphic requirements: Clear, high-contrast, easy-to-read typeface to all sign panels.

12. For special markings and signs:

    - 24" x 12" special markings shall be full height and letters.
    - 24" x 12" special markings shall be full height and letters with an inking density of 200 square inches per square foot.

13. All holes for mounting shall be drilled in the shop.

15. For signs located on right-of-way (ROW), see 30-9000 series drawings.

16. These are typical Caltrans signs; dimensions should be developed for Caltrans' approval. Additional signs as required.

17. For NEC Hub sign program (NSP) sign requirements, see http://routesigns.ca.gov/hsa_standards/
