Dear Board,

At 6:30am - 7:30am Sunday mornings, your cleaning crew at the Caltrain University Ave Station is using gas powered blowers to clean. Gas powered blowers are illegal in Palo Alto! In addition, you are waking all citizens who downtown.

Please be more considerate, and buy silent electric blowers!!!

Martin

To whom it may concern

Huntington Ave in San Bruno the section between Sylvan ave and San Felipe ave I. This area is looking horrendous. It is full of garbage and needs to be cleaned up immediately. The vegetation also needs to be cleaned and trimmed. Please send out your cleaning crew as soon as possible

Thank you
