

Bicycle Advisory Committee - Follow Up Items

FOLLOW UP REPORT - BAC for July 21, 2016						
#	Requestor	Request for Action	Staff Responsible	Dt. Requested	Dt. Completed	F
67	Garrett Turner	Will the Annual Count Report include information on weather?	Catherine David	5/19/2016	7/13/2016	Yes, weather information will be included in the full Annual Passnger Count report that is expected at the end of July.
68	Garrett Turner	Can Caltrain determine bicycle ridership on non-rain days during the annual count?	Catherine David	5/19/2016	7/13/2016	Yes, that information will be included in the full Annual Passnger Count report that is expected at the end of July.
69	Edward Saum	Can Caltrain send out a link to the full Annual Passenger Count report when it is available?	Brent Tietjen	5/19/2016	7/19/2016	The full report will be available at the end of July. A link to the report will be sent out to the committee members when posted.
	Steve Vanderlip	Do you know how many seats will be in front of the second (higher) set of doors on the new EMUs? Will those seats be taken out and not replaced when those doors are needed?	Casey Fromson	5/19/2016	7/19/2016	Caltrain does not know the exact number of seats in front of the doors but it will function as if the doors aren't there so it will be whatever seat pattern is decide on. Once we open the doors we will have to remove the seats. They will not be replaced unless another set of doors (such as the lower ones) are closed at a future date.
