

Bicycle Trip Denials

Caltrain is proud of its program to allow up to 80 bikes on a train. We realize that there are times when demand outweighs supply. To assist us with documenting those times, please complete the form below with the specific information:

Your Name (required):

Email address (required):

Date (required):

Time (required):

Station (required):

Northbound or Southbound (required):

Train # (required):

Thank you for submitting your feedback to Caltrain. Your correspondence will be tracked in order to assist us in determining trends we can address in the future.
