

CALTRAIN ELECTRIFICATION

OLD COUNTY ROAD LANE CLOSURE NOTICE | August 2023

UPCOMING ACTIVITIES AND LANE CLOSURE

Beginning August 14 until August 18, Caltrain will be performing conduit installation work that will require a temporary closure of one southbound lane of Old County Road near the intersection of Cherry Street to vehicle and bicycle traffic. The temporary lane closure is required due to construction equipment, cranes and crews entering and exiting the Caltrain right-of-way.

Work will take place from 8 a.m. to 4 p.m. on August 14-18.

Directional signs will direct southbound traffic to the northbound lane of Old County Road. Flaggers will be present to safely assist vehicle and bicycle traffic.

A detour map is provided at the bottom of this notice for vehicle and bicycle traffic.

CONSTRUCTION ACTIVITIES

During the closure, crews will install conduit as part of the Caltrain Electrification project. Crews will utilize equipment that will enter and exit the Caltrain right-of-way near Old County Road requiring the temporary lane closure.

PROJECT OVERVIEW

Over the last decade, Caltrain has experienced a substantial increase in ridership and anticipates further increases in ridership demand as the Bay Area's population grows. Caltrain Electrification, scheduled to be operational by 2024, will electrify and upgrade the performance, operating efficiency, capacity, safety, and reliability of Caltrain's commuter rail service.

Caltrain electrification is a key component of the Caltrain Modernization Program and consists of replacing diesel-hauled with an electric train system for services between Fourth and King Street Station in San Francisco and the Tamien Station in San Jose. The project will include the installation of new electrical infrastructure and the purchase of electric trains.

CONTACT INFORMATION

Caltrain has established a project information line and project e-mail for Caltrain Electrification to record and respond to questions and comments from residents and stakeholders.

The project information line can be reached at **650.399.9659** or toll free at **800.660.4287**.

The project e-mail is calmod@caltrain.com

Sign-up for weekly construction updates can be found online at: <https://www.caltrain.com/projects/electrification/get-involved>
