

CALTRAIN WEEKEND SHUTDOWNS

San Francisco to Millbrae

Saturday, August 26 & Sunday, August 27, 2023

Local weekend Caltrain service will be replaced with bus service between San Francisco and Millbrae.

Replacement bus service will take longer and there may be additional delays due to limited capacity.

If you are headed to San Francisco, we recommend transferring to BART at Millbrae Station.

Note: Riders headed to the SF Giants game at Oracle Park have the following options:

- Take BART to Powell Station and transfer to the Muni T (Third Street Line)
- Take BART to Embarcadero Station and transfer to Muni N (Judah Line)

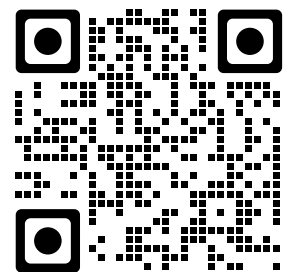

If you're returning to the Peninsula/South Bay, we recommend taking MUNI T or N Lines and transferring to BART, bound for Millbrae station. At Millbrae Station, you can transfer to Caltrain to continue travelling south.
