

Electronic Bicycle Locker Update

March 18, 2021

Bay Area Air Quality Management District Grant

- Transportation Fund for Clean Air
- \$200,000
- 80 locker spaces
- 5 stations

Belmont Station

- 16 spaces
- Near base of the stairs to the platform
- Near new bike lanes

Redwood City Station

- 16 spaces
- Improved location near southbound platform
- Near crossing to northbound platform

Lawrence Station

- 16 spaces
- Replaced keyed lockers next to northbound platform
- Near tunnel to southbound platform

Mountain View Station

- 16 spaces
- Replaced some keyed lockers near southbound platform
- Reoriented to avoid damage from cars and to give more room for passenger loading

Diridon Station

- 32 spaces
- Replaced keyed lockers
- Close to station entrance

Next Steps

- Late March: Installation at Hillsdale Station (16 spaces)
 - Will be 13th Caltrain station to have e-lockers
- Outreach to keyed locker tenants and keyed locker removal
- E-locker location approval, site preparation, historic station review, etc.
- Promotion of lockers to customers
