

# ***Award a Cooperative Purchasing Contract for CCTV Equipment***

**JPB Finance Committee  
August 4, 2025**

# Contracts Goal

To provide the JPB with Closed-Circuit Television Equipment to replace old, unreliable, and in some cases non-functional cameras at the San Francisco Caltrain Station, San Jose Diridon Station, and Centralized Equipment Maintenance & Operations Facility.

# Cooperative Procurement Process

- Per the Procurement Manual, the JPB may utilize cooperative purchasing contracts for procurement of goods and services.
- On May 5, 2023, as a result of a competitive process, the State of Nevada Department of Administration entered into the Master Agreement for Security and Fire Protection Services with Convergent Technologies LLC of Pleasanton, California on behalf of the National Association of State Procurement Officials ValuePoint Cooperative Purchasing Program.
- Staff and Legal Counsel determined that the solicitation process done by the lead agency meets the JPB's competitive requirements.

# Budget Impact

The Board approved the CCTV Phase 1 project in the Fiscal Year 2025 Caltrain Capital Budget, with \$7,543,181 in Transit and Intercity Rail Capital Program (TIRCP) funds.

# Proposed Motion

1. **Award a contract to Convergent Technologies LLC** to provide the **CCTV Equipment** for a total not-to-exceed amount of **\$273,307**.
2. **Authorize the Executive Director** or designee to **execute a cooperative purchasing contract with Convergent** in full conformity with the terms and conditions of the Master Agreement for Security and Fire Protection Services (Master Agreement No. 99SWC-NV23-16262) between the State of Nevada Department of Administration and Convergent, and in a form approved by legal counsel.
