

# ***Authorize the Disposition of One Locomotive and Three Passenger Cars***

**JPB Finance Committee  
July 28, 2025**

# Proposed Motion

Authorize the Executive Director or designee to dispose of one locomotive and three passenger vehicles to the Midwest Overland Rail Preservation Society of Perry, OK.

# Midwest Overland Rail Preservation Society

- The Midwest Overland Rail Preservation Society reached out to Caltrain staff with interest in four vehicles
- Vehicles have no value and would cost Caltrain to dispose of otherwise
- Museum has agreed to pay for removal from Caltrain property
- Agreement with museum will state that vehicles will be for display only and not move under their own power
- Staff is recommending donating vehicles to the Society to preserve their history and save Caltrain costs

# Disposition of One Locomotive and Three Passenger Cars

Asset Number	Make/Model	Date of Purchase
919	EMD F40PH-2 Diesel Locomotive	1987
3819	Nippon-Sharryo Passenger Car	1985
4005	Nippon-Sharryo Passenger Car	1985
4021	Nippon-Sharryo Passenger Car	1999

# Disposition of One Locomotive and Three Passenger Cars

- EMD F40PH-2 Diesel Locomotive #919
  - This unit was in the March 2022 San Bruno incident and was damaged beyond reasonable cost to repair
- Nippon Sharyo #3819
  - This unit was in the March 2022 San Bruno incident and was reported as total loss
- Nippon Sharyo #4005 and #4021
  - These units were damaged in several incidents and have over \$310k in estimated damages

# Budget Impact

There is no impact to the budget.

The cost of removing and scrapping of these vehicles is estimated to be \$460k if not donated.

# Proposed Motion

Authorize the Executive Director or designee to dispose of one locomotive and three passenger vehicles to the Midwest Overland Rail Preservation Society of Perry, OK.
